

BAY RIDGE ALL-SPORTS & THEATRE SUMMER CAMPS

Dear Parents,

The Bay Ridge All-Sports and Theatre Summer Camp is set to begin its 8th season and we are looking forward to yet another very exciting and fun-filled summer for our campers. The Camp is for boys and girls ages 4-16. With its emphasis on participation, fun, and exposure to a wide range of skills and games, the Sports Camp offers campers a great range of activities for them to enjoy. Our camp's gymnasium features a full-sized basketball court that is also used for, kickball, dodgeball, running bases, etc., and is the site for our weekly award ceremonies. Our outdoor facility (schoolyard) is used for other sports and activities including soccer, baseball, football, relay races etc., as well as a sprinkler system for those very warm days. We also access nearby parks and fields. This year our off-site activities will be highlighted by an 8-lane bowling facility as well as a professional size tennis court for our tennis buffs, at nearby Regina Pacis School and Youth Center.

New to our line-up this year will be batting lessons taught by Steve Carberry's son Sean, a baseball player at Villanova University, and a fitness and exercise program run by Cesar Gonzalez, a personal trainer from the NY Sports Club. In addition, we hope to be offering pottery classes for our younger campers, as well as dance instruction by teachers from area dance studios.

This year we plan on having inter-camp competitions with area camps in various activities as baseball, basketball and dodgeball. We have found these competitions to be a fun and enjoyable experience for all our campers. Once again our Theatre Camp promises to be a very exciting and fun-filled experience. Activities and events in our large auditorium include theater games, skits, mime, plays, music, etc. Field trips and occasional sports competitions will also be featured as part of the program.

The camp will run from June 28th thru August 27th 2010.
